Macroeconomics, Financial Economics

Primary research group: Macroeconomics

Secondary research groups: Finance, Accounting, Management science and Economics; Machine Learning and Economics

EDUCATION

University of Oxford, Department of Economics, UK

2021 - 2026

Ph.D. (D.Phil.) in Economics

(expected)

Courses: Advanced Macroeconomics, Financial Economics, International Macroeconomics and Finance.

Thesis: “*Essays in Macroeconomics*”, on the impact of macroeconomic shocks on asset prices and, conversely, how asset prices reflect expectations of macroeconomic variables, accounting for market microstructure frictions.

Under the supervision of Professor Michael McMahon.

London School of Economics and Political Science, Department of Economics, UK

2018 - 2019

M.Sc. in Economics, *Distinction*

Courses: Macroeconomics, Microeconomics, Econometrics, Monetary Economics.

Master thesis: “*Can the ECB’s monetary policy compress the redenomination risk?*”

Under the supervision of Professor Saleem Bahaj.

École Nationale des Ponts et Chaussées, Institut Polytechnique de Paris, France

2015 - 2018

M.Sc. in Mathematical Engineering (*Grande école - diplôme d’ingénieur*), Nominated for the Dean’s list.

Courses: Mathematics, Statistics, Economics, Financial Markets, Programming.

Lycée Sainte-Geneviève (Ginette), *Classes préparatoires aux grandes écoles*, France

2013 - 2015

Courses: Mathematics, Physics, Industrial Sciences.

Two-year preparatory program required to take the national exam for the *grandes écoles*.

WORKING PAPERS
